

SUN CITY SHEQ MANAGEMENT SYSTEM Indemnity Form

Effective date: Feb. 2020

Stage Construction, Rigging and Temporary structures

Ref. No:

Event Name: _____ **Venue:** _____ **Date** _____

I _____ as duly authorized by (company name): _____, hereby certify that I have rigged/constructed all structures off the roof and roof trussing; and/or stage structures for the Event.

I further certify that the design and construction of such installations meet the requirements for the loads to be imposed thereon by the displayed items and/or a maximum number of persons who will occupy the structure at any given time and that competent riggers/persons will conduct all such rigging.

I confirm that such rigging equipment and materials used comply with set specifications, SANS/SABS standards, including those pertaining to safety in terms of the occupational Health & Safety Act 1993 and its regulations.

I hereby confirm that all temporary structures, scaffolding and trusses have been assessed and certified by the Professional Structural Engineer in terms of SASREA and SANS 10366.

Furthermore, I as duly authorized by the contractor indemnify Sun International (t/a) Sun City Resort, its management and representatives against any claims that may arise by way of damage to property and / or injury to persons as a result of the suspension or hoisting of equipment to the roof structure and/or from defective structural design or construction of structures during the period of the event; during the dismantling of the structures and/or arising from any negligence of employees of the contractor should such negligence result to harm or loss in any form.

The contractor hereby agrees to pay any repair costs to the venue (floor or otherwise) which arise from the use of the aforesaid installation.
