# MASTERCLASS PROGRAMMES

**WEDNESDAY, 9 MARCH 2022**

08:00	Registration (Until 17:00)	
08:00	College of Ophthalmology & HOD meetings	Room 7

## Masterclass 1

**Room 5**

### Anterior Segment Imaging and Corneal “Back to Basics”

**Sponsored by Alcon**

**Chair:** Dr Tony Dos Ramos

10:00	Understanding Epithelial Mapping	TBC
10:20	Keratoconus and the Pentacam	
10:40	PTK in Keratoconus	
11:10	Trade presentation – Topic TBC	Alcon Speaker TBC
11:30	<b>REFRESHMENTS</b>	Room 4
12:00	Corneal Suturing Skills – Lacerations and Grafts	TBC
12:20	Corneal Gluing – Hard and Soft	TBC
12:40	Alcohol Delamination of Corneal Epithelium – Diagnostic and Therapeutic Indications	TBC
13:00	TBC	TBC
13:30	<b>LUNCH</b>	Convention Centre Foyer

12:30	Retina SA Scientific Advisory Board	Room 7 - TBC
-------	-------------------------------------	--------------

## Masterclass 2

**Room 5**

### Retinal imaging and Surgical Techniques

**Sponsored by Novartis**

**Chair:** Dr Bernard Wolff

13:30	<b>LUNCH</b>	Convention Centre Foyer
	<b>Surgery</b>	
14:15	Diagnosis and decision making in retinal surgery	Dr Lara Sandri
14:45	Surgical pearls and pitfalls	Dr Matt Young
15:15	Surgical outcomes we can expect nowadays from different pathologies	Dr Bernard Wolff
15:45	What I have learned from the cases I should not have operated on	Dr Rian Viljoen
16:15	<b>REFRESHMENTS</b>	Room 4

16:30	Trade presentation – Topic TBC	Novartis Speaker TBC
	<b>Imaging</b>	
16:50	Angio-OCT introduction and interpretation	Prof Adnan Tufail
17:05	Autofluorescence imaging	Prof Adnan Tufail
17:30	<b>Adjourn</b>	
19:30	<b>Welcoming function</b>	Valley of the Waves

**THURSDAY, 10 MARCH 2022**

## **OPHTHALMOLOGY PROGRAMME**

### **SESSION 1**

**Room 1**

#### **Welcome, Official opening & Opening address**

**Chairs:**

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	<b>Opening address:</b> The neuro-ophthalmology of space flight	Prof Andrew G Lee, Blanton Eye Institute, Houston Methodist Hospital
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### **SESSION 2A**

**Room 1**

#### **Posterior Segment**

**Chairs:**

11:00	Managing AMD	Prof Adnan Tufail
11:30	Prevention of radiation retinopathy in high-risk patients following the treatment of uveal melanoma	Dr Lara Sandri
11:45	Floater surgery: Should the paradigm be shifting?	Dr Bernard Wolff
12:00	Imaging and AI in retina	Prof Adnan Tufail
12:15	Diabetic macular edema: One surgery or numerous intravitreal injections	TBC
12:30	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

### **SESSION 2B**

**Room 2**

#### **Anterior Segment**

**Chairs:**

11:00	Management of Corneal Vascularization: Active and Old Vessels	TBC
11:20	Pearls for trifocal IOL'S	Dr Johan Krüger
11:35	Double angle plot analysis of the surgically induced astigmatism during cataract surgery, as well as analysis of the results obtained with the treatment of astigmatism with either peripheral corneal relaxing incisions or toric intra-ocular lenses	Dr Frikkie Hartog
11:50	EyeprintPro technology: A revolutionary realm in the optical and physiological rehabilitation of irregular	Mr Peter Brauer

	eyes.	
12:05	Clinical outcomes of EDOF & diffractive multifocal IOLs in patients with previous LASIK	Dr Jan Venter
12:20	Clinical and patient reported outcomes following refractive surgery in presbyopes with low distance refractive error and functional unaided distance visual acuity	Dr Jan Venter
12:30	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

## Workshop 1

**Room 1**

**Sponsored by Roche**

**Theme of workshop**

**Chair:**

13:30	Welcome	
13:50		
14:10	Discussion	
14:20	<b>ADJOURN</b>	

## Workshop 2

**Room 2**

**Sponsored by Genop**

**Theme of workshop**

**Chair:**

13:30	Welcome	
13:35		
14:10	Discussion	
14:20	<b>ADJOURN</b>	

## SESSION 3A

**Room 1**

**OMG Business Session**

**Chairs:**

14:30	Opening and challenges	Dr Frik Potgieter
15:00	Ophthalmology data trends in the medical scheme industry	Mr Christoff Raath
15:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## SESSION 3B

Room 2

### Registrar Session

Chairs:

14:30	TBC	TBC
14:42	Retinal nerve fibre layer thickness in a normal black South African population	Dr Sarah Ismail
14:54	Clinical and laboratory characteristics of ocular syphilis and neurosyphilis amongst individuals with and without HIV infection	Dr Dony Mathew
15:06	The effect of HAART roll-out on Cytomegalovirus retinitis incidence in Ethekewini: A retrospective, analytical study from July 1996 to August 2017	Dr Serisha Jay Narain
15:18	Retinal nerve fibre layer thickness and CD4 count in HIV positive patients	Dr Precious Sithole
15:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## SESSION 4A

Room 1

### OMG Business Session

Chairs:

16:00	Coding conundrums	Dr Jan Talma
16:30	<b>Panel discussion:</b> Data registries and data collection	Dr Gerhard Kok, Dr Bill Nortje & Dr Frik Potgieter
17:00	Adjourn	
17:15	OSSA AGM	Room 1
18:15	OMG AGM	Room 1
19:30	Meeting adjourns	
	Evening at leisure	

## SESSION 4B

Room 2

### Young Ophthalmologist Session

Chairs:

16:00	Innovation in Ophthalmology: My experience navigating device development and first in man trial results of a novel glaucoma shunt	Dr Daemon McClunan
16:15	A novel approach to cataract surgery in rural Africa by Africa20twenty	Dr Johann Snyman
16:30	Tshemba Foundation Cataract Programme	Dr Naseer Ally
16:45	OSSA fellowship bursary: UCT Orbits and Oculoplastics	Dr Maanda Mabogo
17:00	Adjourn	
17:15	OSSA AGM	Room 1

18:15	OMG AGM	Room 1
19:30	Meeting adjourns	
	Evening at leisure	

# OPHTHALMOLOGY PROGRAMME

**FRIDAY, 11 March 2022**

07:00 Registration

## **SESSION 5**

**Room 1 & 2**

### **Neuro-Ophthalmology**

**Chairs:**

08:00	Artificial intelligence in ophthalmology	Prof Adnan Tufail
08:20	Five medicines that can blind your patient	Prof Andrew G Lee
08:35	Five diagnoses you cannot afford to miss	Prof Andrew G Lee
08:50	The obesity epidemic and idiopathic intracranial hypertension	Prof Andrew G Lee
09:10	Congenital optic nerve anomalies in children: Lifelong implications	Prof Robert La Roche
09:30	Five visual field rules: How to not miss the brain tumor	Prof Andrew G Lee
09:45	Five things you don't know about things you know well	Prof Andrew G Lee
10:00	Five pupil problems: When to watch, when to worry	Prof Andrew G Lee
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## **DJ Wood Lecture**

**Room 1 & 2**

**Chair:** Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	<b>DJ Wood Lecture</b>	Prof David Meyer
12:15	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

## EMR Symposium

## Room 3

Chair: Dr Schalk du Toit

13:15	Benefits of EMR	Dr Frik Potgieter
13:25	An overview of EMR systems	Dr Dean van der Westhuizen
13:35	Transitioning from paper to EMR in an established practice	Dr Schalk du Toit
13:45	Panel discussion with Q & A	Dr Dean van der Westhuizen, Dr Frik Potgieter & Dr Schalk du Toit
14:00	Adjourn	
	Afternoon at leisure for other delegates	
19:00	<b>Young Ophthalmologists Symposium</b>	Room 3
	Evening at leisure for other delegates	

## SATURDAY, 12 March 2022

07:00 Registration

### SESSION 6A

Room 1

#### Orbits

Chairs:

08:00	Lacrimal gland tumours and their management	Mr David Verity
08:20	World first: Orbital magnets for intractable nystagmus	Mr David Verity
08:40	Small incision surgery for involutional lower lid entropion	Dr Maanda Mabogo
08:55	Non-surgical management of lid malpositions using hyaluronic acid gel fillers.	Dr Hamzah Mustak
09:10	Intraosseous cavernous haemangioma	Mr David Verity
09:25	Management of orbital AVM's	Mr David Verity
09:45	Orbicularis Plication as treatment for moderate to severe ptosis with poor levator function at a tertiary institution in Johannesburg, South Africa	Dr Teboho Seobi
10:00	Should ophthalmologists be paying more attention to TSH receptor antibodies in the management of graves' orbitopathy?	Dr Maanda Mabogo
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 6B

Room 2

#### SASPOS

Chairs: Dr Caroline Gooding & Prof Ismail Mayet

08:00	Ethics considerations in paediatric ophthalmology	Prof Robert La Roche
08:30	Developing an Africa-specific retinoblastoma training programme	Dr Hamzah Mustak
08:40	Medico-legal considerations in ROP screening	Prof Linda Visser
08:50	Rehabilitating the socket of a child enucleated after retinoblastoma	Dr Teboho Seobi
09:00	Ptosis in childhood. Tips and Tricks for effective management	Dr Mpopi Lenake
09:10	The roll of viscocanalostomy in congenital glaucoma	Dr Jeshal Patel
09:20	Use of Botulinum toxin in strabismus	Prof Ismail Mayet
09:30	<b>Discussion</b>	
10:00	Amblyopia update	Prof Robert La Roche
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 7A

Room 1

## Trauma Symposium

### Chairs:

11:00	Open-globe trauma: The timing of intervention	TBC
11:20	IOFB technique step by step	TBC
11:40	Closure of scleral wounds	TBC
11:50	<b>Launch of Ophthalmic Trauma Society of SA (OTSSA)</b>	Dr Jan Talma, Dr Sanushka Moodley Dr Clayton Erasmus
12:00	Lecture from APOTS International speaker	Presenter TBC
12:20	Discussion	
12:30	<b>LUNCH, EXHIBITION &amp; POSTER SESSION</b>	Exhibition Hall

## SESSION 7B

## Room 2

### SASPOS Panel discussion: A case I have learnt from

**Panelists:** Prof Chris Tinley, Dr Clare Cullen, Prof Ismail Mayet, Dr Pierre Vercueil, Dr Hermant Kana & Prof Robert La Roche

11:00	Complex case presentation 1 (5 min + 5 min discussion)	Prof Chris Tinley
11:10	Complex case presentation 2	Dr Cedrick Mabowa
11:20	Complex case presentation 3	Dr Karen Conradie
11:30	Complex case presentation 4	Dr Pierre Vercueil
11:40	Complex case presentation 5	Prof Ismail Mayet
11:50	Depth perception and DaVinci	Prof Robert La Roche
12:20	SASPOS AGM	
12:30	<b>LUNCH, EXHIBITION &amp; POSTER SESSION</b>	Exhibition Hall

## Workshop 3

## Room 1

### Sponsored by Alcon

### Theme of workshop

### Chair:

13:30	Welcome	
13:35		
13:50		
14:10	Discussion	
14:20	<b>ADJOURN</b>	

## Workshop 4

## Room 3

## Sponsored by Oculate

### Theme of workshop

#### Chair:

13:30	Welcome	
13:35		
13:50		
14:10	Discussion	
14:20	<b>ADJOURN</b>	

## SESSION 8A

## Room 1

### Posterior Segment

#### Chairs:

14:30	Myopic maculopathy	Prof Adnan Tufail
14:45	AI as a disruptor: OSSA diabetic retinopathy screening program update	Dr Stephen Cook & Dr Jaco Maartens
15:00	Optical Coherence Tomography (OCT) features of Diabetic Macular Edema (DME) in patients at Charlotte Maxeke Johannesburg Academic Hospital (CMJAH)	Dr Aubrey Makgotloe
15:15		TBC (APOTS Speaker)
15:30	Complete and early vitrectomy for postoperative endophthalmitis (CEV)	TBC
15:45	Optic atrophy is not a diagnosis	Prof Andrew G Lee
16:00	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## SESSION 8B

Room 4

### Anterior Segment

Chairs:

14:30	Presbyopia correction with different modern intraocular lenses	Prof Mike Holzer
14:50	Descemet's membrane detachment: A paradigm shift in diagnosis and classification.	TBC
15:15	Using pre-prepared DMEK donor tissue in ten consecutive DMEK cases, with results at one-year follow-up	Dr Daniel Cornelius
<del>15:30</del>	Bacterial keratitis: An approach to assessment and management	TBC
16:00	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### Alumni Meetings

16:30	Wits Alumni Meeting	Room 3
16:30	Bloemfontein Alumni Meeting	Room 4
16:30	Pretoria Alumni Meeting	Room 5
16:30	University of Kwa-Zulu Natal Meeting	Room 6
17:30	<b>Meetings adjourn</b>	
	Afternoon at leisure for other delegates	
19:00 for 19:30	<b>OSSA Banquet</b>	Kings Ballroom (Room 1&2)

## SUNDAY, 13 March 2022

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

## SESSION 9

Room 5

### Ethics: Ophthalmology & Optometry

Chairs:

08:30	Communication in medicolegal issues	Dr Chris Gouws
09:00	The challenges of teaching Ophthalmic surgery, from ethical considerations to technological innovations	Prof Robert La Roche
09:30	<b>Motivational talk:</b> Six years with Al Qaeda	Mr Stephen McGown

10:45	<b>Congress closure</b>	Dr Bayanda Mbambisa, OSSA President
11:00	<b>Refreshments &amp; Adjourn</b>	<b>Room 5</b>
11:30	Final shuttle departs to OR Tambo International airport	Convention Centre Foyer

## POSTER PRESENTATIONS

1	Clinical profile of HLA-b27-associated uveitis in an Egyptian Cohort	Dr Eiman Abd El Latif
2	The post war / insurgency sight restoration phase 1 project: The Nigerian Airforce Emergency Hospital Dalori Internally Displaced Persons (IDP) Camp Dalori, Borno State, January 2016	Dr Akinwale Akinfe
3	Patient feedback on the use of serum eye drops for severe ocular surface disease	Dr Tanya Glatt
4	Visual outcomes of Tecnis Eyhance IOL in a private practice, South Africa	Dr Johan Krüger
5	Visual outcomes of Liberty multifocal IOL in a private practice, South Africa	Dr Johan Krüger
6	The prevalence and genotypes of human papilloma virus in ocular surface squamous neoplasia at Dr George Mukhari Academic Hospital, Gauteng, South Africa	Ms Lucia Naddy Mhlongo
7	Anterior Vitreousdetachment in intraocular lens optic capture techniques	Dr Sydney Sebilane
8	A case of primary orbital Non-Hodgkin's Lymphoma in a child	Dr Hari Swaminathan

## POSTER PRESENTATIONS: Registrars

1	Survey of back and neck pain in South African ophthalmologists	Dr Craig Anderson
2	Streaks and stretchy skin: A case report of Pseudoxanthoma elasticum	Dr Shannon Callaway
3	Investigating a relationship between pterygia and astigmatism at an academic hospital eye clinic	Dr Pamela Chatterjee
4	The ethnic variation of corneal curvature in the Durban population: a Prospective, observational, descriptive study	Dr Brian Church
5	Unilateral proptosis in a child: A case presentation of AML in the orbit	Dr Faheema Hajee
6	Bilateral occlusive retinal vasculitis secondary to Eales disease	Dr Dony Mathew
7	Bilateral abducens nerve palsy: An initial presentation of COVID-19	Dr Dony Mathew
8	Treatment outcomes with the Micropulse Transscleral Cyclo diode Laser in refractory and non-refractory glaucoma in a South African setting: A retrospective analysis	Dr Neeran Narainswami

# OPHTHALMIC MANAGERS & ADMINISTRATORS PROGRAMME

## Improving professional practice administration for the profession

### WEDNESDAY, 9 March 2022

14:00 Registration opens for Administrators

19:30	<b>Welcoming function</b>	Valley of the Waves
-------	---------------------------	---------------------

### THURSDAY, 10 March 2022

07:00 Registration

#### SESSION 1

#### Room 1

#### Welcome, Official opening & Opening address

Chair: TBC

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	<b>Opening address:</b> The neuro-ophthalmology of space flight	Prof Andrew G Lee
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

#### SESSION 2

#### Room 3

#### The Big Picture

Chair: Ms Shelley McGee

11:00	Welcome and opening	Ms Shelley McGee
11:05	Industry & regulatory overview	Mr Casper Venter
11:45	Clarity and connectedness at the frontline: How personal excellence can impact health care.	Dr Stephen Cook, The Eye Centre Mr Stefaan van den Heever, Legitimate Leadership
12:30	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

#### SESSION 3

#### Room 3

#### Administration in a medical insurance world

Chair: Mr Casper Venter

13:30	COVID - Slayer of schemes or reserve raiser	Mr Christoff Raath
14:15	How do medical schemes work	Mr Julian Botha

		(Xpedient)TBC
15:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## **SESSION 4**

## **Room 3**

### **Managers & Administrators & Optometrists combined**

**Chair:** Ms Shelley McGee

16:00	How creating mature and capable leaders contributes to success in a medical practice: Lessons from The Eye Centre	Dr Stephen Cook, The Eye Centre Mr Josh Hayman, Legitimate Leadership
17:00	Adjourn	
	Evening at leisure	

## FRIDAY, 11 March 2022

07:00 Registration

### SESSION 5 Regulatory issues

### Room 3

Chair: Mr Ernst Ackerman

08:00	CMS cases in ophthalmology: Why the correct approach matters	Ms Elsabé Klinck
08:45	Forensics in Ophthalmology and elsewhere	Mrs Mardi Roos
09:30	Panel discussion on forensics and coding and regulatory issues	Ms Elsabé Klinck, Mrs Mardi Roos, Dr Jan Talma & Mrs Brenda Gous
10:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### DJ Wood Lecture

### Room 1

Chair: Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	<b>DJ Wood Lecture</b>	Prof David Meyer
12:15	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall
	Afternoon & evening at leisure for delegates	

## SATURDAY, 12 March 2022

07:00 Registration

### SESSION 6 Medical scheme matters

Room 3

Chair: Mr Ernst Ackermann

08:00	The Discovery PMB claims process for AMD & glaucoma	Mr Darren Sweiden
09:00	HealthMan practice management support services	Mr Casper Venter
09:30	How to protect your practice - TBC	Mr André van Niekerk
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 7 Coding

Room 3

Chair: Mrs Mardi Roos

11:00	Coding	Dr Jan Talma & Mrs Brenda Gous
12:30	<b>LUNCH, EXHIBITION &amp; POSTER SESSION</b>	Exhibition Hall

### SESSION 8

Room 3

Chair: Mr Casper Venter

13:30	The OMG Eye Registry	Ms Shelley McGee
14:00	General OMG/OSSA Issues Feedback	Ms Shelley McGee
14:45	Data Project and ICN Update	Dr Frik Potgieter
15:30	Closing	Dr Frik Potgieter
16:00	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

19:00 for 19:30	<b>OSSA Banquet</b>	Kings Ballroom (Room 1&2)
-----------------------	---------------------	---------------------------

## SUNDAY, 13 March 2022

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

# OPTOMETRY PROGRAMME

## WEDNESDAY, 9 March 2022

14:00 Registration opens for Optometrists

19:30 **Welcoming function** Valley of the Waves

## THURSDAY, 10 March 2022

07:00 Registration

### SESSION 1

**Room 1**

#### Welcome, Official opening & Opening address

Chair: TBC

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	<b>Opening address:</b> The neuro-ophthalmology of space flight	Prof Andrew G. Lee
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 2

**Room 4**

Chair: TBC

11:00	Why operate on strabismus in children, and in adults?	Prof Robert La Roche
11:30	Understanding anisometropia in symmetric dioptric power space.	Prof Alan Rubin
12:00	Diagnosing dry eye disease in optometric practice using technology.	Mrs Marilize le Roux
12:30	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 3

**Room 4**

Chair: TBC

13:30	Neuro-optometry: Neuro-vision rehabilitation and multidisciplinary patient management	Mrs Deidre De Jongh
14:00	Five Medications that can blind your patients and blind side you	Prof Andrew G Lee
14:30	Five Diagnoses you cannot afford to miss	Prof Andrew G Lee
15:00	Paediatric headache the vital role of the optometrist	Mrs Leoni Joubert
15:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## SESSION 4

Room 4

Managers, Administrators & Optometrists combined

Chair: TBC

16:00	How creating mature and capable leaders contributes to success in a medical practice: Lessons from The Eye Centre	Dr Stephen Cook, The Eye Centre Mr Josh Hayman, Legitimate Leadership
17:00	Adjourn	
	Evening at leisure	

## FRIDAY, 11 March 2022

07:00 Registration

## SESSION 5

Room 4

Chair: TBC

08:00	Corneal nerves and neurotrophic keratopathy	TBC
08:30	A series of case histories of scleral contact lenses.	Mrs Annelize van Zyl
09:00	Improving scleral lens comfort	Mr Pieter Naude
09:30	Refractive and therapeutic treatment post congenital cataract surgery	Mrs Mardeen Tait
10:00	Understanding corneal perforation	TBC
10:30	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

## DJ Wood Lecture

Room 1

Chair: Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	<b>DJ Wood Lecture</b>	Prof David Meyer
12:15	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall
	Afternoon & evening at leisure for delegates	

## SATURDAY, 12 March 2022

07:00 Registration

### SESSION 6

### Room 4

Chair: TBC

08:00	Covid19: How it affects our eyes and our practices.	Dr Helen De Jager
08:30	Demographic and corneal profiles of a clinic-based keratoconic population	Dr Elizabeth Chetty
09:00	Early detection of glaucoma	Dr Marissa Willemse
09:30	The indications and surgical management of penetrating keratoplasty	Dr Jacobus Pauw (clash with Nurses programme)
10:00	AMD (Age related macular degeneration)	Dr Hamza Tayob
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 7

### Room 4

Chair:

11:00	Unravelling retinal vascular disease	Dr Sanushka Moodley
11:30	Colour vision in aviation	TBC
12:00	Novel imaging features of diabetic eye disease	Prof Adnan Tufail
12:30	<b>LUNCH, EXHIBITION &amp; POSTER SESSION</b>	Exhibition Hall

### SESSION 8

### Room 6

Chair: Dr Jan Talma

13:30	Inter-individual test-retest reliability of an objective-subjective combination smartphone-based method for determination of refractive state of the human eye	Dr Nabeela Hasrod Gany
14:00	Overview of Modern Refractive Surgery	Dr Jan Talma
14:30	Low Vision: What should I be doing in a low vision examination and can I really help this patient	Mrs Annelize van Zyl
15:00	An approach to visual fields and oct in the diagnosis of glaucoma	Dr Daniel Erasmus
15:30	Reproducibility of subjective refractions from 50 optometrist for a single participant	Prof Solani D Mathebula
16:00	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

19:00 for 19:30	<b>OSSA Banquet</b>	Kings Ballroom (Room 1)
-----------------------	---------------------	-------------------------

**SUNDAY, 13 March 2022**

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

**SESSION 9**

**Room 5**

**Ethics: Ophthalmology & Optometry**

**Chairs:** TBC

08:30	Communication in medicolegal issues	Dr Chris Gouws
09:00	The challenges of teaching Ophthalmic surgery, from ethical considerations to technological innovations	Prof Robert La Roche
09:30	<b>Motivational talk:</b> Six years with Al Qaeda	Mr Stephen McGown
10:45	Congress closure	
<b>11:00</b>	<b>REFRESHMENTS &amp; ADJOURN</b>	<b>Room 5</b>
11:30	Final shuttle departs to OR Tambo International airport	Convention Centre Foyer

# OPHTHALMIC ASSISTANTS PROGRAMME

## WEDNESDAY, 9 March 2022

14:00 Registration opens for Assistants

19:30	<b>Welcoming function</b>	Valley of the Waves
-------	---------------------------	---------------------

## THURSDAY, 10 March 2022

07:00 Registration

### SESSION 1

Room 1

#### Welcome, Official opening & Opening address

Chair:

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	<b>Opening address:</b> The neuro-ophthalmology of space flight	Prof Andrew G Lee
10:15	<b>REFRESHMENTS &amp; EXHIBITION</b>	Exhibition Hall

### SESSION 2

Room 6

#### An enduring challenge and surviving COVID

#### Ophthalmic Assistants and Ophthalmic Nurses Combined

Chair: Mrs Marié Oosthuizen

11:00	Covid 19: How it affects our eyes and our practices	Dr Helen de Jager
11:30	My "Epic" - Journey	Dr Chris Gouws
12:00	Ocular trauma	Dr Wouter Smith
12:30	<b>LUNCH &amp; EXHIBITION</b>	Exhibition Hall

## SESSION 3

Room 6

### Expertise and new developments

Chair: TBC

13:30	Advances in corneal transplant surgery	Dr Cor van Zyl
