OPHTHALMIC NURSES PROGRAMME.....	29

MASTERCLASS PROGRAMMES

WEDNESDAY, 9 MARCH 2022

08:00	Registration (Until 17:00)	
08:00	College of Ophthalmology & HOD meetings	Room 7

Masterclass 1

Room 5

Anterior segment imaging and advanced surgical approaches

Sponsored by Alcon

Chair: Dr Tony Dos Ramos

10:00	Surgical pearls for successful DALK Surgery	Dr Rajesh Fogla
10:30	Femto lasik pitfalls and pearls	Dr Dylan Joseph
11:00	Surgical management of extreme ectasia	Dr Rajesh Fogla
11:30	REFRESHMENTS	Room 4
12:00	Stromal augmentation in keratoconus – technique and outcomes	Dr Rajesh Fogla
12:30	Keratoconus screening	Dr Michael Attenborough
12:50	Epithelial mapping and application to PTK CXL	Dr Tony Dos Ramos
13:10	Alcon presentation: Implanting Toric IOL's using corneal intelligence	Dr Francesca Indiveri
13:30	LUNCH	Convention Centre Foyer

12:30	Retina SA Scientific Advisory Board	Room 7 - TBC
-------	-------------------------------------	---------------------

Masterclass 2

Room 5

Retinal imaging and surgical techniques

Sponsored by Novartis

Chair: Dr Bernard Wolff

13:30	LUNCH	Convention Centre Foyer
	Surgery	
14:15	Diagnosis and decision making in retinal surgery	Dr Lara Sandri
14:45	Surgical pearls and pitfalls	Dr Matt Young
15:15	Surgical outcomes we can expect nowadays from different pathologies	Dr Bernard Wolff
15:45	What I have learned from the cases I should not have operated on	Dr Rian Viljoen
16:15	REFRESHMENTS	Room 4

16:30	Novartis presentation: A holistic overview on current anti-VEGF treatment with a focus on current overview of unmet treatment needs in managing retinal diseases such as nAMD, DME and RVO in the South African context	Dr Enslin Uys
	Imaging	
16:50	Angio-OCT introduction and interpretation	Prof Adnan Tufail
17:05	Autofluorescence imaging	Prof Adnan Tufail
17:30	Adjourn	
	Evening at leisure	

THURSDAY, 10 MARCH 2022

OPHTHALMOLOGY PROGRAMME

SESSION 1

Room 1

Welcome, Official opening & Opening address

Chairs: TBC & TBC

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	Opening address: The neuro-ophthalmology of space flight	Prof Andrew G Lee, Blanton Eye Institute, Houston Methodist Hospital
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 2A

Room 1

Posterior Segment

Chairs: TBC & TBC

11:00	Managing AMD	Prof Adnan Tufail
11:30	Prevention of radiation retinopathy in high-risk patients following the treatment of uveal melanoma	Dr Lara Sandri
11:45	Floater surgery: Should the paradigm be shifting?	Dr Bernard Wolff
12:00	How Big data can inform retina practice	Prof Adnan Tufail
12:15	Tertiary care - Vitrectomy for NO Perception of lights for Ophthalmic Trauma.	Prof Sundaram Natarajan
12:30	LUNCH & EXHIBITION	Exhibition Hall

SESSION 2B

Room 2

Anterior Segment

Chairs: TBC & TBC

11:00	Managing complications in DALK surgery	Dr Rajesh Fogla
11:20	Pearls for trifocal IOL'S	Dr Johan Krüger
11:35	Double angle plot analysis of the surgically induced astigmatism during cataract surgery, as well as analysis of the results obtained with the treatment of astigmatism with either peripheral corneal relaxing incisions or toric intra-ocular lenses	Dr Frikkie Hartog
11:50	EyeprintPro technology: A revolutionary realm in the optical and physiological rehabilitation of irregular eyes.	Mr Peter Brauer & Mrs Marelize le Roux

12:05	Clinical outcomes of EDOF & diffractive multifocal IOLs in patients with previous LASIK	Dr Jan Venter
12:20	Clinical and patient reported outcomes following refractive surgery in presbyopes with low distance refractive error and functional unaided distance visual acuity	Dr Jan Venter
12:30	LUNCH & EXHIBITION	Exhibition Hall

Workshop 1

Room 1

Sponsored by Roche

Innovation starts with a vision

Chair: TBC

13:30	Welcome	TBC
13:50	Innovation starts with a vision	Professor Anat Loewenstein (Virtual)
14:10	Discussion with questions and answers	
14:20	ADJOURN	

Workshop 2

Room 2

Sponsored by Genop

Theme of workshop

Chair: TBC

13:30	Welcome	
13:35	Building surgical confidence in J&J Vision Tecnis Premium IOL's.	Dr D Neu-Ner & Dr D Joseph
14:10	Discussion	
14:20	ADJOURN	

SESSION 3A

Room 1

OMG Business Session

Chairs: TBC & TBC

14:30	Opening and challenges	Dr Frik Potgieter
15:00	Ophthalmology data trends in the medical scheme industry	Mr Christoff Raath
15:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 3B

Room 2

Registrar Session

Chairs: TBC & TBC

14:30	Retinal nerve fibre layer thickness in a normal black South African population	Dr Sarah Ismail
14:45	Clinical and laboratory characteristics of ocular syphilis and neurosyphilis amongst individuals with and without HIV infection	Dr Dony Mathew
15:00	Retinal nerve fibre layer thickness and CD4 count in HIV positive patients	Dr Precious Sithole
15:15	Discussion	
15:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 4A

Room 1

OMG Business Session

Chairs: TBC & TBC

16:00	Coding conundrums	Dr Jan Talma
16:30	Panel discussion: Data registries and data collection	Dr Gerhard Kok, Dr Bill Nortje & Dr Frik Potgieter
17:00	Adjourn	
17:15	OSSA AGM	Room 1
18:15	OMG AGM	Room 1
19:30	Meeting adjourns	
19:30	Welcoming Valley Braai	Valley of the Waves

SESSION 4B

Room 2

Young Ophthalmologist Session

Chairs: Dr Mzwandile Mjwara & Dr Anesu Madikane

16:00	Innovation in Ophthalmology: My experience navigating device development and first in man trial results of a novel glaucoma shunt	Dr Daemon McClunan
16:15	A novel approach to cataract surgery in rural Africa by Africa20twenty	Dr Johann Snyman
16:30	Tshemba Foundation Cataract Programme	Dr Naseer Ally
16:45	OSSA fellowship bursary: UCT Orbits and Oculoplastics	Dr Maanda Mabogo
17:00	Adjourn	
17:15	OSSA AGM	Room 1
18:15	OMG AGM	Room 1

19:30	Meeting adjourns	
19:30	Welcoming Valley Braai	Valley of the Waves

OPHTHALMOLOGY PROGRAMME

FRIDAY, 11 March 2022

07:00 Registration

SESSION 5

Room 1 & 2

Neuro-Ophthalmology

Chairs: TBC & TBC

08:00	Imaging and AI in retina	Prof Adnan Tufail
08:20	Five medicines that can blind your patient	Prof Andrew G Lee
08:35	Five diagnoses you cannot afford to miss	Prof Andrew G Lee
08:50	The obesity epidemic and idiopathic intracranial hypertension	Prof Andrew G Lee
09:10	Congenital optic nerve anomalies in children: Lifelong implications	Prof Robert La Roche (Virtual)
09:30	Five visual field rules: How to not miss the brain tumor	Prof Andrew G Lee
09:45	Five things you don't know about things you know well	Prof Andrew G Lee
10:00	Five pupil problems: When to watch, when to worry	Prof Andrew G Lee
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

DJ Wood Lecture

Room 1 & 2

Chair: Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	DJ Wood Lecture: Repurposing of drugs towards the benefit of eye care: How my 'love affair' with pharmacology prejudiced my academic career in ophthalmology	Prof David Meyer
12:15	LUNCH & EXHIBITION	Exhibition Hall

EMR Symposium

Room 3

Chair: Dr Schalk du Toit

13:15	The benefits and pitfalls of going electronic	Dr Frik Potgieter
13:25	An overview of EMR systems	Dr Dean van der Westhuizen
13:35	Transitioning from paper to EMR in an established practice	Dr Schalk du Toit
13:45	Panel discussion with Q & A	Dr Dean van der Westhuizen, Dr Frik Potgieter & Dr Schalk du Toit
14:00	Adjourn	
	Afternoon at leisure for other delegates	
19:00	Young Ophthalmologists Symposium	Room 3
	Evening at leisure for other delegates	

SATURDAY, 12 March 2022

07:00 Registration

SESSION 6A

Room 1

Orbits

Chairs: TBC & TBC

08:00	Surgical approaches to the orbit: A logical approach	Mr David Verity
08:20	The challenge of sphenoid wing meningioma	Mr David Verity
08:40	Small incision surgery for involutional lower lid entropion	Dr Maanda Mabogo
08:55	Non-surgical management of lid malpositions using hyaluronic acid gel fillers.	Dr Hamzah Mustak
09:10	Intraosseous cavernous haemangioma	Mr David Verity
09:25	Management of orbital AVM's	Mr David Verity
09:45	Orbicularis Plication as treatment for moderate to severe ptosis with poor levator function at a tertiary institution in Johannesburg, South Africa	Dr Teboho Seobi
10:00	Should ophthalmologists be paying more attention to TSH receptor antibodies in the management of graves' orbitopathy?	Dr Maanda Mabogo
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 6B

Room 2

SASPOS

Chairs: Dr Caroline Gooding & Prof Ismail Mayet

08:00	Ethics considerations in paediatric ophthalmology	Prof Robert La Roche (Virtual)
08:30	Developing an Africa-specific retinoblastoma training programme	Dr Hamzah Mustak
08:40	Medico-legal considerations in ROP screening	Prof Linda Visser
08:50	Rehabilitating the socket of a child enucleated after retinoblastoma	Dr Teboho Seobi
09:00	Ptosis in childhood. Tips and Tricks for effective management	Dr Mpopi Lenake
09:10	Challenges of canal surgery in congenital glaucoma	Dr Jeshal Patel
09:20	Use of Botulinum toxin in strabismus	Prof Ismail Mayet
09:30	Discussion	
10:00	Amblyopia update	Prof Robert La Roche (Virtual)
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 7A

Room 1

Trauma Symposium

Chairs: Dr Jan Talma, Dr Sanushka Moodley & Dr Clayton Erasmus

11:00	Vitrectomy for Traumatic Endophthalmitis	Prof Sundaram Natarajan
11:20	World's Largest series of Vitrectomy for pellet ocular trauma	Prof Sundaram Natarajan
11:40	Ophthalmic trauma society of South Africa launch	Dr Sanushka Moodley
11:55	Open-globe trauma: The challenges and timing of complex cases.	Dr Jan Talma
12:10	IOFB Management - Recent advances including 3 D vitreous surgery	Prof Sundaram Natarajan
12:20	Discussion	
12:30	LUNCH, EXHIBITION & POSTER SESSION	Exhibition Hall

SESSION 7B

Room 2

SASPOS Panel discussion: A case I have learnt from

Panelists: Prof Chris Tinley, Dr Clare Cullen, Prof Ismail Mayet, Dr Pierre Vercueil & Prof Robert La Roche

11:00	Complex case presentation 1 (5 min + 5 min discussion)	Prof Chris Tinley
11:10	Complex case presentation 2	Dr Cedrick Mabowa
11:20	Complex case presentation 3	Dr Karen Conradie
11:30	Complex case presentation 4	Dr Pierre Vercueil
11:40	Complex case presentation 5	Prof Ismail Mayet
11:50	Depth perception and DaVinci	Prof Robert La Roche (Virtual)
12:20	SASPOS AGM	
12:30	LUNCH, EXHIBITION & POSTER SESSION	Exhibition Hall

Workshop 3

Room 1

Sponsored by Alcon

Advanced Phaco – Control at your Fingertips

Chair: TBC

13:30	Welcome	
13:35		Dr Greg Smith
13:50		TBC
14:10	Discussion	
14:20	ADJOURN	

Workshop 4

Room 3

Sponsored by Oculare

Latest IOL advancements

Chair: Dr Tony Dos Ramos

13:30	Capsular bag performance Factors: Rotational stability of leading IOL platforms	Prof Rupert Menapace
13:50	HOYA - the corporation	Mr Stefan Schulz
13:55	HOYA Surgical Optics Innovation Pipeline	Mr Paul Wood
14:05	Early clinical experience with the new Vivinex Gemetric trifocal IOL	Dr Pierre Wassermann
14:15	Panel Discussion and Short Q&A	Dr Pierre Wassermann
14:20	ADJOURN	

SESSION 8A

Room 1

Posterior Segment

Chairs: TBC & TBC

14:30	Myopic maculopathy	Prof Adnan Tufail
14:45	AI as a disruptor: OSSA diabetic retinopathy screening program update	Dr Stephen Cook & Dr Jaco Maartens
15:00	Optical Coherence Tomography (OCT) features of Diabetic Macular Edema (DME) in patients at Charlotte Maxeke Johannesburg Academic Hospital (CMJAH)	Dr Aubrey Makgotloe
15:15	Novel imaging feature of diabetic eye disease	Prof Adnan Tufail
15:45	Optic atrophy is not a diagnosis	Prof Andrew G Lee
16:00	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 8B

Room 4

Anterior Segment

Chairs: TBC & TBC

14:30	Presbyopia correction with different modern intraocular lenses	Prof Mike Holzer
14:50	Endothelial keratoplasty: Surgical techniques	Dr Rajesh Fogla
15:15	Using pre-prepared DMEK donor tissue in ten consecutive DMEK cases, with results at one-year follow-up	Dr Daniel Cornelius
15:30	Therapeutic corneal lasers: Opacities and irregularities	Dr Theunis Botha
15:45	Why DMEK is the preferred technique of Endothelial Keratoplasty	Dr Rajesh Fogla
16:10	REFRESHMENTS & EXHIBITION	Exhibition Hall

Alumni Meetings

16:30	Wits Alumni Meeting	Room 3
16:30	Bloemfontein Alumni Meeting	Room 4
16:30	Pretoria Alumni Meeting	Room 5
16:30	University of Kwa-Zulu Natal Meeting	Room 6
17:30	Meetings adjourn	
	Afternoon at leisure for other delegates	
19:00 for 19:30	OSSA Banquet	Kings Ballroom (Room 1&2)

SUNDAY, 13 March 2022

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

SESSION 9

Room 5

Ethics: Ophthalmology & Optometry

Chairs: **TBC & TBC**

08:30	Communication in medicolegal issues	Dr Chris Gouws
09:00	Discussion	
09:15	<p>Motivational talk: Six years with Al Qaeda</p> <p>Having been broken down to mere skeleton of his former self during this ordeal, Stephen speaks about rebuilding himself as a human and focusing on what really matters. He speaks about the importance of self-awareness, choice, living a balanced life which includes exercise, the importance of good character and being consistent.</p> <p>He returned home from captivity to a nation where many people are depressed, having panic attacks and are on medication. He believes this is due to social pressures and people thinking that they will find meaning in money and “keeping up with the Joneses”. Through his story he tries to show people the beauty in simplicity, living in the moment and appreciating what one has.</p>	Mr Stephen McGown
10:30	Discussion	
10:45	Congress closure	Dr Bayanda Mbambisa, OSSA President
11:00	Refreshments & Adjourn	Room 5
11:30	Final shuttle departs to OR Tambo International airport	Convention Centre Foyer

POSTER PRESENTATIONS

1	Clinical profile of HLA-b27-associated uveitis in an Egyptian Cohort	Dr Eiman Abd El Latif
2	The post war / insurgency sight restoration phase 1 project: The Nigerian Airforce Emergency Hospital Dalori Internally Displaced Persons (IDP) Camp Dalori, Borno State, January 2016	Dr Akinwale Akinfe
3	Patient feedback on the use of serum eye drops for severe ocular surface disease	Dr Tanya Glatt
4	Visual outcomes of Tecnis Eyhance IOL in a private practice, South Africa	Dr Johan Krüger
5	Visual outcomes of Liberty multifocal IOL in a private practice, South Africa	Dr Johan Krüger
6	The prevalence and genotypes of human papilloma virus in ocular surface squamous neoplasia at Dr George Mukhari Academic Hospital, Gauteng, South Africa	Ms Lucia Naddy Mhlongo
7	Anterior Vitreousdetachment in intraocular lens optic capture techniques	Dr Sydney Sebilane
8	A case of primary orbital Non-Hodgkin's Lymphoma in a child	Dr Hari Swaminathan

POSTER PRESENTATIONS: Registrars

1	Survey of back and neck pain in South African ophthalmologists	Dr Craig Anderson
2	Streaks and stretchy skin: A case report of Pseudoxanthoma elasticum	Dr Shannon Callaway
3	Investigating a relationship between pterygia and astigmatism at an academic hospital eye clinic	Dr Pamela Chatterjee
4	Unilateral proptosis in a child: A case presentation of AML in the orbit	Dr Faheema Hajee
5	Bilateral occlusive retinal vasculitis secondary to Eales disease	Dr Dony Mathew
6	Bilateral abducens nerve palsy: An initial presentation of COVID-19	Dr Dony Mathew
7	Treatment outcomes with the Micropulse Transscleral Cyclodiode Laser in refractory and non-refractory glaucoma in a South African setting: A retrospective analysis	Dr Neeran Narainswami

OPHTHALMIC MANAGERS & ADMINISTRATORS PROGRAMME

Improving professional practice administration for the profession

WEDNESDAY, 9 March 2022

14:00 Registration opens for Administrators

THURSDAY, 10 March 2022

07:00 Registration

SESSION 1

Room 1

Welcome, Official opening & Opening address

Chair: **TBC**

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	Opening address: The neuro-ophthalmology of space flight	Prof Andrew G Lee
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 2

Room 3

Chair: Ms Shelley McGee

11:00	Welcome and opening	Ms Shelley McGee
11:05	Industry & regulatory overview	Mr Casper Venter
11:45	Clarity and connectedness at the frontline: How personal excellence can impact health care.	Dr Stephen Cook, The Eye Centre Mr Stefaan van den Heever, Legitimate Leadership
12:30	LUNCH & EXHIBITION	Exhibition Hall

SESSION 3

Room 3

Chair: Mr Casper Venter

13:30	COVID - Slayer of schemes or reserve raiser	Mr Christoff Raath
14:15	Coding – Session 1	Dr Jan Talma
15:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 4

Room 3

Managers & Administrators & Optometrists combined

Chair: Ms Shelley McGee

16:00	How creating mature and capable leaders contributes to success in a medical practice: Lessons from The Eye Centre	Dr Stephen Cook, The Eye Centre Mr Josh Hayman, Legitimate Leadership
17:00	Adjourn	
19:30	Welcoming Valley Braai	Valley of the Waves

FRIDAY, 11 March 2022

07:00 Registration

SESSION 5

Room 3

Chair: Dr Theunis Botha

08:00	CMS cases in ophthalmology: Why the correct approach matters	Ms Elsabé Klinck
08:45	Forensics in Ophthalmology and elsewhere	Mrs Mardi Roos
09:30	Question and answer session, forensics, coding and regulatory issues.	Ms Elsabé Klinck, Mrs Mardi Roos, Dr Jan Talma, Mrs Brenda Gous & Mr Casper Venter
10:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

DJ Wood Lecture

Room 1

Chair: Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	DJ Wood Lecture: Repurposing of drugs towards the benefit of eye care: How my 'love affair' with pharmacology prejudiced my academic career in ophthalmology.	Prof David Meyer
12:15	LUNCH & EXHIBITION	Exhibition Hall
	Afternoon & evening at leisure for delegates	

SATURDAY, 12 March 2022

07:00 Registration

SESSION 6

Room 3

Chair: Mr Ernst Ackermann

08:00	The Discovery PMB claims process for AMD & glaucoma	Mr Darren Sweiden
09:00	HealthMan practice management support services	Mr Casper Venter
09:30	How to ensure your practice's financial sustainability	Mr André van Niekerk
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 7

Room 3

Chair: Mrs Mardi Roos

11:00	General coding issues including rules, modifiers and	Mrs Brenda Gous
11:45	How do medical schemes work	Mrs Lara Faulds
12:30	LUNCH, EXHIBITION & POSTER SESSION	Exhibition Hall

SESSION 8

Room 3

Chair: Mr Casper Venter

13:30	The OMG Eye Registry	Ms Shelley McGee
14:00	General OMG/OSSA Issues Feedback	Ms Shelley McGee
14:45	Data Project and ICN Update	Dr Frik Potgieter
15:30	Closing	Dr Frik Potgieter
16:00	REFRESHMENTS & EXHIBITION	Exhibition Hall

19:00 for 19:30	OSSA Banquet	Kings Ballroom (Room 1&2)
--------------------	---------------------	---------------------------

SUNDAY, 13 March 2022

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

OPTOMETRY PROGRAMME

WEDNESDAY, 9 March 2022

14:00 Registration opens for Optometrists

THURSDAY, 10 March 2022

07:00 Registration

SESSION 1

Room 1

Welcome, Official opening & Opening address

Chair: **TBC**

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	Opening address: The neuro-ophthalmology of space flight	Prof Andrew G. Lee
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 2

Room 4

Chair: Dr Hamza Tayob

11:00	Why operate on strabismus in children, and in adults?	Prof Robert La Roche (Virtual)
11:30	Understanding anisometropia in symmetric dioptric power space.	Prof Alan Rubin
12:00	Neuro-optometry: Neuro-vision rehabilitation and multidisciplinary patient management	Mrs Deidre De Jongh
12:30	LUNCH & EXHIBITION	Exhibition Hall

SESSION 3

Room 4

Chair: Dr Jacobus Pauw

13:30	Diagnosing dry eye disease in optometric practice using technology.	Mrs Marilize le Roux
14:00	Five Medications that can blind your patients and blind side you	Prof Andrew G Lee
14:30	Five Diagnoses you cannot afford to miss	Prof Andrew G Lee
15:00	Paediatric headache the vital role of the optometrist	Mrs Leoni Joubert
15:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 4

Room 4

Managers, Administrators & Optometrists combined

Chair: Ms Shelley McGee

16:00	How creating mature and capable leaders contributes to success in a medical practice: Lessons from The Eye Centre	Dr Stephen Cook, The Eye Centre Mr Josh Hayman, Legitimate Leadership
17:00	Adjourn	
19:30	Welcoming Valley Braai	Valley of the Waves

FRIDAY, 11 March 2022

07:00 Registration

SESSION 5

Room 4

Chair: Dr Marissa Willemse

08:00	Current options in the management of Keratoconus	Dr Rajesh Fogla
08:30	A series of case histories of scleral contact lenses.	Mrs Annelize van Zyl
09:00	Improving scleral lens comfort	Mr Pieter Naude
09:30	Refractive and therapeutic treatment post congenital cataract surgery	Mrs Mardeen Tait
10:00	Dizziness, diplopia and disorientation – the visual vestibular connection	Mrs Deidre De Jongh
10:30	REFRESHMENTS & EXHIBITION	Exhibition Hall

DJ Wood Lecture

Room 1

Chair: Dr Bayanda Mbambisa

11:15	Introduction of the DJ Lecturer	Dr Bayanda Mbambisa President: OSSA
11:30	DJ Wood Lecture: Repurposing of drugs towards the benefit of eye care: How my 'love affair' with pharmacology prejudiced my academic career in ophthalmology.	Prof David Meyer
12:15	LUNCH & EXHIBITION	Exhibition Hall
	Afternoon & evening at leisure for delegates	

SATURDAY, 12 March 2022

07:00 Registration

SESSION 6

Room 4

Chair: Dr Helen de Jager

08:00	Overview of Modern Refractive Surgery	Dr Jan Talma
08:30	Demographic and corneal profiles of a clinic-based keratoconic population	Dr Elizabeth Chetty
09:00	The eye as a mirror to neurological disease	Dr Marissa Willemse
09:30	The indications and surgical management of penetrating keratoplasty	Dr Jacobus Pauw
10:00	AMD (Age related macular degeneration)	Dr Hamza Tayob
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 7

Room 4

Chair: Dr Cor van Zyl

11:00	Covid19: How it affects our eyes and our practices.	Dr Helen De Jager
11:30	Corneal oedema post cataract surgery	Dr Rajesh Fogla
12:00	Novel imaging features of diabetic eye disease	Prof Adnan Tufail TBC
12:30	LUNCH, EXHIBITION & POSTER SESSION	Exhibition Hall

SESSION 8

Room 6

Chair: Dr Jan Talma

13:30	Inter-individual test-retest reliability of an objective-subjective combination smartphone-based method for determination of refractive state of the human eye	Dr Nabeela Hasrod Gany
14:00	Unravelling retinal vascular disease	Dr Sanushka Moodley
14:30	Low Vision: What should I be doing in a low vision examination and can I really help this patient	Mrs Annelize van Zyl
15:00	An approach to visual fields and oct in the diagnosis of glaucoma	Dr Daniel Erasmus
15:30	Reproducibility of subjective refractions from 50 optometrist for a single participant	Prof Solani D Mathebula
16:00	REFRESHMENTS & EXHIBITION	Exhibition Hall
19:00 for 19:30	OSSA Banquet	Kings Ballroom (Room 1)

SUNDAY, 13 March 2022

08:00	First shuttles depart to OR Tambo International airport	Convention Centre Foyer
-------	---	-------------------------

SESSION 9

Room 5

Ethics: Ophthalmology & Optometry

Chairs: TBC & TBC

08:30	Communication in medicolegal issues	Dr Chris Gouws
09:00	Discussion	
09:15	<p>Motivational talk: Six years with Al Qaeda</p> <p>Having been broken down to mere skeleton of his former self during this ordeal, Stephen speaks about rebuilding himself as a human and focusing on what really matters. He speaks about the importance of self-awareness, choice, living a balanced life which includes exercise, the importance of good character and being consistent.</p> <p>He returned home from captivity to a nation where many people are depressed, having panic attacks and are on medication. He believes this is due to social pressures and people thinking that they will find meaning in money and “keeping up with the Joneses”. 10:30	Discussion	
10:45	Congress closure	Dr Bayanda Mbambisa, OSSA President
11:00	Refreshments & Adjourn	Room 5
11:30	Final shuttle departs to OR Tambo International airport	Convention Centre Foyer

OPHTHALMIC ASSISTANTS PROGRAMME

WEDNESDAY, 9 March 2022

14:00 Registration opens for Assistants

THURSDAY, 10 March 2022

07:00 Registration

SESSION 1

Room 1

Welcome, Official opening & Opening address

Chair: **TBC**

07:00	Registration (Until 17:00)	
09:00	Welcome & Official opening	Dr Bayanda Mbambisa President: OSSA
09:15	Opening address: The neuro-ophthalmology of space flight	Prof Andrew G Lee
10:15	REFRESHMENTS & EXHIBITION	Exhibition Hall

SESSION 2

Room 6

An enduring challenge and surviving COVID

Ophthalmic Assistants and Ophthalmic Nurses Combined

Chair: Mrs Marié Oosthuizen
